

Dolomite Camp

Etosha National Park

Fact sheet

Location: western Etosha National Park
First opened: June 2011
Type: Eco- Lodge

LOCATION

Nestled in the dolomite outcrops of the pristine western Etosha National Park, Dolomite Camp offers an intimate experience of one of the most scenic areas of the Park.

Access here is via the previously restricted tourism route through Galton Gate in western Etosha.

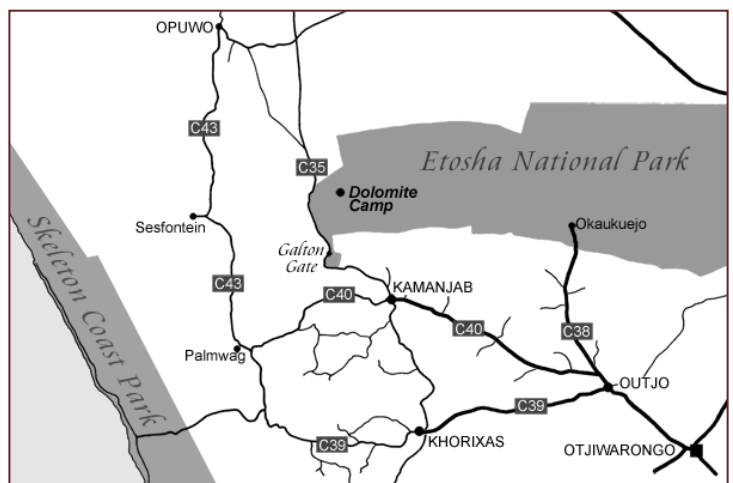

ACCOMMODATION

The Camp features 20 Chalets built on elevated wooden decks on and around the outer edges of a Dolomite ridge. All rooms are built with thatched roofs, canvas walls and large, wooden-framed retractable doors allowing spectacular panoramic views.

Rooms are elegantly furnished with local and regional fittings and equipment, using natural fabrics to create a natural and ethnic ambiance.
